### When to change each item

| Item        | When to change / inspect                                         |
|-------------|------------------------------------------------------------------|
| Coolant     | More than 250000 km (155000 miles) or 15 years since last change |
| Brake fluid | Every 2 years                                                    |

For jobs with both a time and a kilometre limit, use whichever comes first.
