### When to change each item

| Item              | When to change / inspect                         |
|-------------------|--------------------------------------------------|
| Engine air filter | More than 80,000 km or 4 years                   |
| Brake fluid       | Every 2 years                                    |
| Fuel filter       | More than 80,000 km or 4 years since last change |

For jobs with both a time and a kilometre limit, use whichever comes first.
